Applications for funding will only be considered if all the sections below are completed.

Description of organization.

Provide project overview including goals, objectives, and outcomes.

Describe area/community(s) to be serviced (identify if there are any current public transit services in this area) including the population.

Outline proposed monthly schedule and timelines for completion of the project.

Provide detailed project budget (or attach to application).

Identify who is anticipated to conduct the study/project and, if available, outline experience (attach resumes if available). If internal resources are used, applicants must demonstrate that use of internal resources is incremental to normal operations and represents value for money against the use of external resources (if applicable).

Declaration

The information provided on this application form and accompanying documentation is accurate to the best of my knowledge. I confirm that the project will commence after April 1st, 2025 and will be completed by February 13th, 2026.

I hereby give **Link Nova Scotia** authority to verify any and all information pertaining to this application.

I understand that any projects funded may be subject to an audit by the Province of Nova Scotia. The Province reserves the right to review and inspect funded projects and related documentation during and following project completion.
